[Université Grenoble Alpes awarded the "Bienvenue en France" label for the quality of its international students' welcome](#)
Committed to a quality process for welcoming international students, Université Grenoble Alpes was awarded the "Bienvenue en France 2 étoiles" label at the end of May 2020, a label issued by Campus France and validated by an independent commission. UGA and its institutions therefore join the list of 89 labeled institutions among the 183 committed to the process. This label is in line with the international attractiveness policy developed by UGA.
