

**Choose Université Grenoble Alpes
for your international exchange experience !**

Université Grenoble Alpes (UGA) is a public higher education and research establishment that welcomes almost 60,000 students every year, including 10,000 international students from over 155 countries around the world.

UGA is based in Grenoble and Valence, France, and comprises 30 schools, faculties and institutes, covering a wide range of disciplines.

- Arts, literature, languages
- Law, economics, management, political science
- Human and social science, architecture
- Science, technology, health, engineering

UGA is in the top 150 of the Shanghai ranking of the world's best universities, and ranks 5^e among French institutions.

Study at UGA as an exchange student*

UGA has forged institutional partnerships around the world. It welcomes international students in all disciplines and at all levels of study. It also offers a simplified procedure to help exchange students find accommodation, as well as free French lessons adapted to their level.

How to choose a host faculty?

When it comes to choosing your host faculty, it's important to take a number of factors into account in order to find the educational environment that best suits your goals and needs.

To do this, identify:

- The disciplines on offer
- The level of education and language required
- Administrative and educational contacts

How does the application process work?

Students must:

- Apply for and be accepted into the exchange program at their home university
- Being nominated at the UGA
- Apply online using the form sent by the host faculty at UGA

* This document does not refer to the following establishments: Faculty of Medicine, UGA; CUEF, UGA; Sciences Po Grenoble - UGA School of Political Sciences; Grenoble INP, Institute of Engineering and Management - UGA; ENSAG - UGA School of Architecture. These establishments require a specific exchange agreement.

Choosing courses

Students should ensure that the courses they choose are in line with their course of study. They must comply with the rules of the host faculty at UGA: level of studies and language, minimum number of courses required, with up to a maximum of 30 credits per semester.

To fulfill the learning agreement, students must consult the instructions and select courses from the catalogue.

Civil liability insurance	€16 to €35 per year

French lifestyle in an exceptional environment

A city of science, innovation and sport

Grenoble is the capital of the French Alps, combining the advantages of a medium-sized city with an exceptional natural environment. It is the perfect city for students, offering history, culture, nightlife and sporting activities, and is recognized as a major center of research and cutting-edge technology.

In the heart of the Alps, a town with excellent transport links

Grenoble is a dynamic and attractive city, with an efficient and well-developed public transport network facilitating access to all districts and the various university sites. It's also an ideal place to cycle, with well-developed cycle paths providing safe and easy routes through the city.

Grenoble also enjoys close proximity to other major cities. Lyon, Paris and Geneva are within easy reach, offering plenty of opportunities for travel and getaways

Specialized services for international students

In a single location at the heart of the campus, the MUSE building gives students access to all the information they need about student life and the services available.

- **The International Students and Scholars Office (ISSO)**, is located at the heart of the campus, offering assistance with visas, immigration, finding accommodation, and more.

- **IntEGre is an association welcoming international students** that organises cultural activities throughout the year.

- Student monitoring and language tandem programs are also available.

In short

- Student accommodation
- Affordable meals
- A medical center
- Cultural and artistic activities
- Well-equipped libraries
- 200 student associations
- 200 cultural events every year
- A student life area
- A student-run radio station
- Theaters
- 38 sports disciplines
- 450 km of cycle paths
